Tom's Secret Formula B-404 All-Purpose Lubricant and Cutting Oil

Tom's Secret Formula B-404 All-Purpose Lubricant and Cutting Oil are biodegradable and formulated with optimized USA-grown vegetable oils and selective additives. These earth-friendly lubricants do not contain chlorine or regulated toxins, safe for all metals and do not evaporate, providing long-lasting lubrication. B-404 All-Purpose Lubricant and Cutting Oil cling to surfaces, providing lubrication longer than conventional petroleum-based products. Both products have outperformed typical petroleum-based lubricants in terms of lubricity, penetration and anti-wear properties. www.tomssecretformula.com
